**Registrations close
midnight, Sunday 12 December 2021**

South Gippsland's Community Vision will reflect what our residents hope our region looks like by the year 2040.

We are establishing a Community Panel to work in collaboration with Council to shape this vision.

Be part of this important discussion.

SHAPING SOUTH GIPPSLAND

The **Community Vision 2040** will be the foundation document which links what you value most with Council decision making and future plans.

The Panel will consider:

- the shire's population growth
- how to best support our community
- what we hope will change or stay the same for future generations
- what defines an improvement in the livability of our shire.

THE PANEL

The Panel will comprise 25 randomly selected and demographically representative people from across the shire, and will:

- hear input from the broader community
- consider a wide range of information and hear from expert speakers
- discuss issues, challenges and opportunities.

Expert facilitators will support members to work together in a respectful manner and come to a shared position.

- The Panel's recommendations will provide guidance to inform the development of the Council Plan 2022–2025 and other strategies.
- The panel will present its recommendations to the community and Council in April/May 2022
- Community and Council feedback will then come back to the Panel for review
- After review of feedback, the Panel will present its final recommendations to Council in June 2022.

REGISTER YOUR INTEREST TODAY

Members of the panel will be randomly selected by Deliberately Engaging (a third party that is independent of Council) to reflect the diversity of our community.

Anyone in your household (18 years or older) who is interested in being part of this Panel can register at: **deliberatelyengaging.com.au/SouthGippsland** by midnight on Sunday 12 December 2021.

The panel will meet in Leongatha from 10am – 4pm on 5 February, 12 February and 21 May 2022.

Panel members will be paid \$100 per day plus meals to recognise their time commitment. Attendance is required at all meetings.
